

LUMINA HEALTH PARTNERS

YOUR PARTNER ON THE JOURNEY TO VALUE

Lumina Health Partners' recognized industry leaders work hand-in-hand with clients to guide healthcare organizations as they optimize the performance of programs to meet the demands of an increasingly value-based care payment environment. Our proven strategies enable medical groups, hospitals, and health systems to realize measurable strategic, financial, and operational goals and achieve the Triple Aim. Along with advising these provider organizations about operations and governance matters, we help organizations drive cultural change and actively engage physicians and leadership with our exclusive "Lead to Support" model.

LUMINA HEALTH PARTNERS OFFERS THE FOLLOWING ADVISORY SOLUTIONS:

VALUE-BASED STRATEGY

- Strategic planning
- CIN and ACO formation, operations assessment, and program optimization
- Provider network development
- Managed care strategy development and contracting assistance
- Care management and clinical redesign

DATA MANAGEMENT AND ANALYTICS

- HIT advisory and selection
- Data governance
- Advanced analytics and reporting
- Analytics infrastructure and network development

CLINICAL TRANSFORMATION

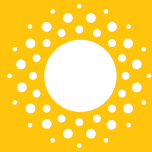

- Service line optimization
- Practice assessments and improvement
- Clinical variation
- Value-based and quality payment programs

LEADERSHIP AND GOVERNANCE

- Culture transformation
- Physician executive mentoring and coaching
- Leadership development programs
- Change management
